Dear Teacher

Make sure you check out these workbook series with the following benefits for your students:

- The **Excel Essential Skills Non-Calculator and Calculator Workbooks** will help students prepare for the Year 7 and Year 9 NAPLAN Non-Calculator and Calculator Allowed Tests using numerous worksheets.
- The **Excel Mathematics Practice Tests** series will provide students with extensive test and exam practice.
- The **Excel Essential Skills Problem Solving Workbook** series will help you teach the Problem Solving and Reasoning strands in the new curriculum. Step-by-step methods, plus carefully selected graded questions, will help your students excel in this area.

As a former secondary Mathematics teacher myself who is passionate about the teaching of Mathematics, I am always especially proud of the Mathematics resources we provide to help you and your students.

I always welcome your feedback as we are dedicated to improving our range to best suit teachers' and students' needs. My email address is vivienne@pascalpress.com.au. Please don't hesitate to email me with your suggestions and comments.

You can view these new resources on a **FREE 30-Day Preview**:

- ★ View resources FREE for 30 days
- ★ Reply paid address for returned items
- ★ No obligation to purchase!

Have a great year!
