

Excel Success One HSC

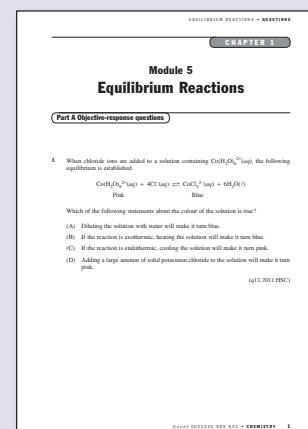

The **Excel Success One HSC series** has a brand-new format to accommodate the major changes in the Science syllabuses. All content in these guides has been updated to make sure these guides are 100% relevant to the new syllabuses.

The brand-new format is as follows:

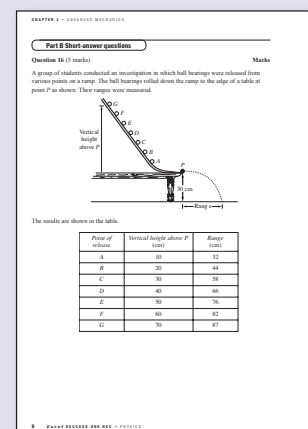

Questions from past HSC papers (2004*–2014) arranged into Module topics

- There are over 100 questions for students to complete.

*2001 for Physics

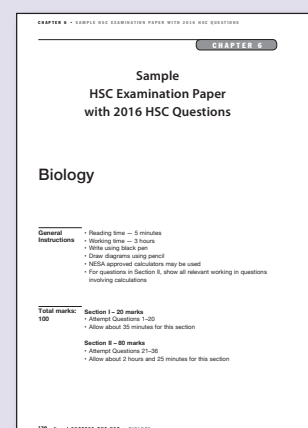

Chemistry

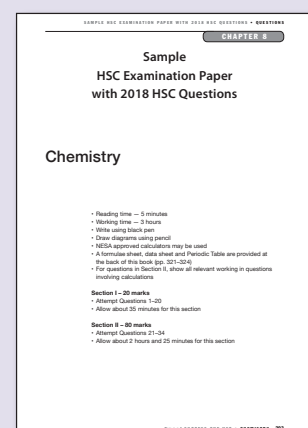

Physics

Four Sample HSC Examination papers with actual questions from the 2015–2018 HSC papers

- Approximately half of each paper's questions are actual HSC questions and the others are questions on the new topics in the updated syllabus.

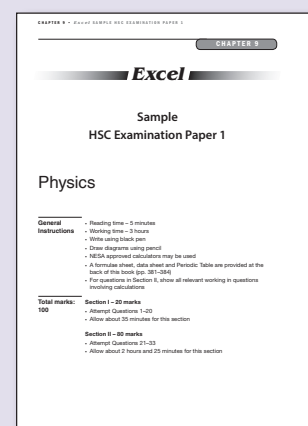

Biology

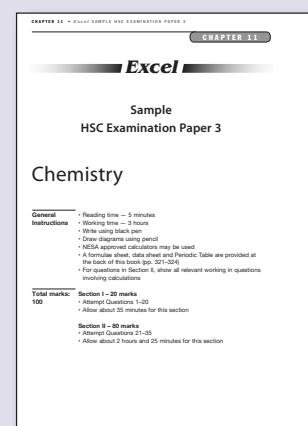

Chemistry

Three Sample HSC Examination papers

- All questions are written for the new Year 12 syllabuses and based on the new HSC Examination format.
